## Tour Group Partners –

AMERICA'S BEST VALUE INN would like to introduce you to the hotel best suited for those groups that are interested in a clean, comfortable and convenient place to stay while enjoying the many attractions this area has to offer. We are located minutes from Amish Country, and are surrounded by numerous historical and cultural sites. Our Inn has something that is becoming a feature of the past; **outside corridors**. Your tour bus can be parked directly in front of the block of rooms that you will be staying in. **All first floor rooms**. No elevators or stairs to contend with. We also insist that your driver stay free and with the booking of fifteen or more rooms, one free room will be included. Many of our rooms are equipped with two full size beds, micro/fridge, and coffee pots. There is an outdoor pool to relax in and we are adjacent to Bob Evans and Shoney's. A show of your room key at Shoney's and you will be given a 10% discount. Also, a complimentary local newspaper delivered each morning. Upon arrival, your luggage will be handled by a member of our dedicated staff.

We look forward to working with you on your next tour and hope we can accommodate you soon!
