

# Camp Buckeye Retreat Center Beach City, Ohio

Nestled in the woods of Northern Tuscarawas County and Southern Stark County is the Camp Buckeye Retreat Center. Owned by Grassroots Ministries, Camp Buckeye Retreat Center offers groups of all sizes and ages a 91-acre rustic retreat that is a perfect getaway.

The Agape Lodge, originally built in 1954, is the beautiful and rustic multi-purpose central facility of the camp. With a stone fireplace as its heart, faux-stone floor, comfortable leather furniture and welcoming atmosphere, it is the ideal place for civic and corporate gatherings as well as family and youth events. Remodeled in 2004, the lodge offers new tables and chairs that **can be set up for each group's specific needs, doubling as a dining hall** when needed. On the south end, an adjoining commercial sized kitchen provides ample space for food preparation for

both small and large groups, as well as a laundry area. At the north end of the lodge there are restroom facilities and 3 sleeping rooms with both bunk and double beds, one with a private bath and shower. This area can sleep up to 22 people. Fully heated in winter, the Lodge can accommodate approximately 100-150 people in its main room. A large, covered front porch provides a second outdoor stone fireplace and seating area to gather with friends as well as table games such as carpet pool, foosball, and ping-pong. An even larger rear porch adjacent to the parking area provides an additional sheltered area for open air dining, games, or activities. The lodge may be rented in its entirety, or without the kitchen or sleeping quarters, and may be rented for day, evening, or extended periods. The Lodge can be utilized for corporate business meetings, reunions, graduations and more, and has even been the proud host of several beautiful weddings and receptions.

Also available for guests is the Friendship Center. Located on the upper level of camp, the Friendship Center is winterized and will also soon have basic food preparation facilities. As an open meeting room, it provides the ideal place for small groups to gather. The combination of the joined Hospitality and Joy cabins and the Friendship Center, with their own fire rings, a back porch, picnic tables, and small swing gazebo, makes them an excellent choice for weekend retreats or family groups. Friendship Center can be rented alone or with one or two of the attached cabins. This complex is near the volleyball and basketball courts, and is just at the top of the path leading down to Perseverance Pool.

Six all-season and six open-air cabins as well as tent and RV camping facilities are also available for groups in need of lodging.
